

10th Green Coatings Summit

Spet. 5-6, 2012 Crowne Plaza Guangzhou City Centre

Review

10th Green Coatings Summit by Ringier was successfully held on Sept 5-6, 2012 in Guangzhou. There were 18 excellent presentations, 7 sponsors and 150 delegates during 2 days.

This Summit included 4 fields: water-based Coatings, UV coatings, powder coatings and high solid coatings. All the delegates got useful information and technologies during 2 days. Ringier provided a flat form for coatings industry chain to communicate without distance, and make them know more business partnerships then win-win.

Conference Chairman: **Mr. Xianghong Yang**
Purchasing Director- Solvents Asia AkzoNobel

Speakers -- Main Sessions

Mr. Zhiming Zhou

CEO & President, Hydraer (Guangzhou) Polymer Materials Co
Innovation and Challenge of Environmental Friendly Coatings

Mr. Robert Duan

Asia Technical Director, Valspar
Green and Sustainable Coatings at Valspar

Mr. Yunjie Ding

Researcher, Group Leader, Dalian Institute of Chemical Physics,
Chinese Academy of Sciences
Research Progress on Ethanol Synthesized from Coal

Mr. Jiping Liu

R&D Director, TIGER Drylac (Taicang) Co.,Ltd.
Green MDF Powder Coatings Technology

Ms. Bailing Liu

Chendu Institute Of Organic Chemistry. Chinese Academy Of
Sciences
**The High Solid Coatings Prepared Based on Hyper-branched
Technology**

Mr. Xiaowen Chen

GM, Zhong Shan Bluesea Waterborne Paints Co.,Ltd
**Water-based Wood Coatings Development Status Quo and Technical
Market Positioning 10 Years Later in China**

Water-based Coatings

Ms. Xuefang Chen

Technical Service Manager, Evonik Degussa (China) Co. Ltd.
Guangzhou Branch
TEGO High Performance New Products for Water-based Coatings

Mr. Jinxiong Wang

International Technical Department Head, Dongguan Taiho Group
Introduction of Decoration Water-based Coloring Coating

Prof. Zhonghua Chen

PHD Tutor, South China University of Technology
**Preparation and Properties Research of Water-based
Polyurethane Anti-corrosion Coatings in Container**

Ms. Ruifeng Zhong

Senior R&D Manager, Hemple (Guangzhou) Co.,Ltd
**Latest Research and Development in Water-based Environmental
Friendly Architectural Coatings**

Mr. Xiaojun Xu

President, Shanghai World-Prospect ChemTech Co.,Ltd.
Green Material in Green Coatings

Mr. Yuewei Han

Senior Engineer, Xi'an Railway Transportation and Equipment Co., Ltd.
Application of Water-based Coatings in the Railway Truck

UV Coatings

Ms. Qinglan Liu

Technical Manager, Business Development Coatings APAC,
Bayer Material Science (China) Co., Ltd.

WB UV: The Green & Efficient Coating Solution

Mr. Kai Liu

TAIZHOU QIANJING CHEMICAL CO., LTD.

UV & EB Curing Tech Applied in Metal Printing and Coating

Mr. Ji Wang

PHD, Shenzhen Sapience Technology Co., LTD

Low Energy Curing Technology for Coatings Application and Exploration

Mr. Zhigang Liu

General Manager of Technical Management Center, CHINA
ZHANCHEN PAINTS CO.,LTD.

Application of UV Coatings in Wood Door Decoration

Mr. Song Wu

Vice General Manager, SOKAN NEW MATERIAL CO.,LTD.

Development Trends of 3C Coatings
