2015 The 2nd Asian Automotive August 3-4 World Class Manufacturing Summit

DoubleTree by Hilton Jakarta, Indonesia

The most exclusive Automotive Technological and Business Development event of 2015

Overview

Asia's automotive Industry continues to flourish owing to the region's stable economic environment. In the next five years, Thailand, Indonesia, Malaysia, Philippines & Singapore will have higher annual growth rates than countries in North America and Europe. This growth will in turn raise the demand for high end manufacturing equipment as well as larger use of automation.

The conference will give delegates an excellent opportunity to establish new relationships within Asia and across Asia that can lead to new business opportunities.

The 2nd Asia Automotive World Class Manufacturing Summit, organized by **Ringier Trade Media Ltd.** (Conferences and Events) and supported by **TEBA** (Thai European Business Association) and **GAIKINDO** (Indonesian Automotive Manufacturers Association), aims to help manufacturers, institutions and distributors deal with the challenges and opportunities in the rapidly evolving Southeast Asia manufacturing and automotive market.

In addition the event will be held at the same time with the **MTT Expo Indonesia Aug 4-7**, allowing you to visit the exhibition also. This unique opportunity makes the **2nd Asian Automotive World Class Manufacturing Summit** truly the **Most Exclusive Business Event of 2015**.

Our Partner

Thai European Business Association (TEBA) was established in 2009 by Independent Thai and European firms as a non-profit organization under the

Trade Association Act, Ministry of Commerce, Royal Thai Government. TEBA is a founding member of European Business Organization (EBO) worldwide network with a representative office in Europe to be our window to Europe. TEBA also affiliates with the largest Thai private sector, Joint Standing Committee on Commerce, Industries and Banking

Since 1969 GAIKINDO, a non profit association, facilitated its members with government policies related to the automotive industry. That including the policy of the industry and the trade, energy, taxation, the standard of safety for Manufacturing and the utilization of technology. With international collaborations GAIKINDO became the partner for associations in the automotive industry in various countries. Especially promoting the Indonesian Automotive Industry and inviting more and more international companies to do business in the sector. GAIKINDO today takes part in pushing towards development and production of the environment-friendly car (green car).

Conference Location

DoubleTree By Hilton,
Diponegoro-Jakarta, Indonesia

The contemporary DoubleTree by Hilton Hotel Jakarta-Diponegoro is ideally located away from heavy traffic, yet close to Jakarta's CBD, the Golden Triangle of Jakarta and many embassies and government offices. Shopping malls, markets, restaurants and leisure options are easily reachable and Cikini Train Station is a short distance away
