Connecting industry through information exchange!

15th China Coatings Summit & EXPO 2017 was held on May 24-25 at the TheLongemont Hotel Shanghai. The conference focuses on topics that consider auto coatings, anti-corrosive coatings, wood coatings, architectural coatings and smart functional coatings. During the two-day-conference, 54 speeches, 12 innovation technology introductions, along with an exhibition with 31 booths were carried out. Concurrently, “The Green Ink and Printing Technology Application Conference 2017” and “Ringier Coatings Industry Technology Innovation Awards 2017”were held, the events attracted more than 800 audience.

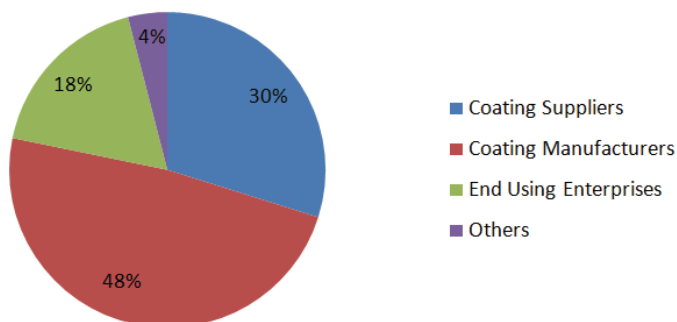

The conference gathers together coatings suppliers, coatings manufacturers, end users, enterprises, and association experts to discuss the latest coatings trends, technology, laws and regulations. One core objective of the conference is in proposing solutions for using new coating formulas. “Green Ink and Printing Technology Application Conference 2017” continues to be a platform that supplies the audience with cutting-edge information and solution in the ink and printing industry.

In addition, Merck, Evonik, Keytec, CHNV and other companies delivered their speeches regarding the application and quality of water-based wood coatings. Elementis, Dukepoly, Silok, Coroband other companies shared their latest technologies and solutions that apply on auto coatings and architectural coatings. Huntsman, WanhuaChemcial and other companies discussed“Waterborne Epoxy Solutions for Industrial Anti-corrosive Coating Application” and “Application Study on Alicyclic Amine with High Functionality in Corrosion Protection” in their speeches. These topics successfully engaged the speakers and audience into elaborated discussions.

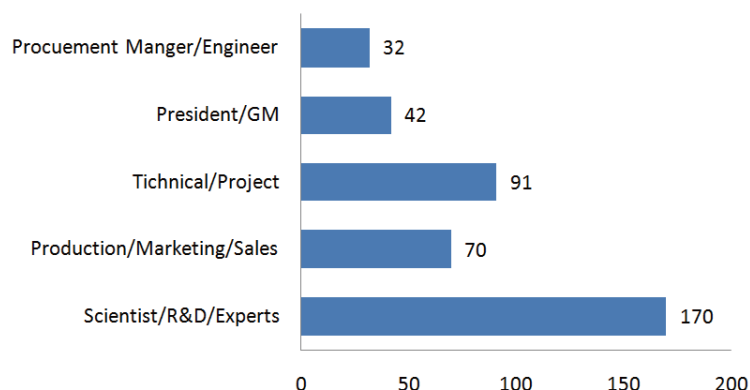

The summit is not merelya learning and networking opportunity, it is also a great opportunity to establish business cooperation. As the organizer, we are exploring new forms of activities to bring maximum effects and inspiration to you. We sincerely hope that each meeting can effectively stimulate the exchanges and development of the industry. Hope to see you in China Coatings Summit 2018!

Speakers

Mr. Dong Chen
General Manager, China,
COROBTrading (Shenzhen) Limited
Topic: World-class Automation Toning
Sloutions

Ms. Yanhua Xu
Senior Engineer, National Center for
Quality Supervision and Test of Building
Engineering Materials
Topic: Interpretation of The Relevant
Standards of Architectural Reflective Thermal
Insulation Coatings

Mr. Yuan He
Technical Director
Dukepoly Chemical Technology Co.,Ltd
Topic: DP Emulsion in the Application of
Water-in-Water Multi-Color Paint

Mr. Bolin Zhu
Product Manager
SKSHU PAINT CO.,LTD
Topic: Green Functional and Innovative
Coatings

Mr. Xuanyi Lin
Chief Engineer
Shanghai Sto Ltd.
Topic: Status Quo and Development Trends
in Architectural Coatings

Dr. Reiner Friedrich
Head of Global R&D Technical Functionals
Merck KGaA
Topic: Branched Short Chain Fluorosurfactants
- An Environmental Friendly Alternative to
Existing C6 Materials

Ms. Yini Ren
Sales Manager
Jotun coatings (zhangjiagang) co., LTD
Topic: Jotun One-stop Coating Solution

Ms. Melanie Hammer
Application engineer
Keim group / keim Additec surface / Ceronas
/ Silcona
Topic: Wax Additives for Wood Coatings

Mr. Can Sun
Technical Director
Guangzhou Silok Polymer Co.,Ltd
Topic: Application of Unsaturated Polysiloxane in
Architectural Coating of Anti-graffiti Function.

Mr. Lei Cao
Assistant Director
CEC
Topic: Prevention of Air Pollution and
Greening of Coatings Industry

Mr. Kaibin Xu
Technical Director
Nanjing Alwayslucky Paint Co., Ltd
Topic: Formation Mechanism and Solution
for Snail Trail of Exterior Wall Coatings

Mr. Xinjian Chen
Senior Engineer
Carpoly Paint (Shanghai) Co., Ltd
Topic: The Lacquer Green Road

Speakers

Mr. Zhonghua Chen
Professor
South China University of Technology
Topic: Development of Waterborne Anticorrosive Coating and its Application in Petrochemical Industry

Mr. Eric Liu
R & D Manage
Wanhua Chemical Group Co., Ltd
Topic: Application Study on Alicyclic Amine with High Functionality in Corrosion Protection

Mr. Taijiang Gui
Chief Engineer
Marine Chemical Research Institute
Topic: Development Trend of Green Coatings

Ms. Chengwei Ma
Product Director
Suremoov Automotive Technology Co.,Ltd
Topic: Auto Repair Paint Color Paint System

Mr. Kevin Li
Invited senior professional expert in electronic coating industry
Topic: Current Situation And Discovery Direction of Consumer Electronic Coatings

Mr. Alex Miao
Technical Services Director
Sherwin Williams (Shanghai) Ltd
Topic: The Developments and Applications in PFP Coating

Ms. Minfeng Li
Senior Engineer, Committee of Experts China National Coatings Industry Association Fire Protection and Corrosion Prevention Branch Association
Topic: China's Bridge Coatings and Coating Technology Development Trend

Mr. Zuo Pan
Manager
CIMC Containers Holding Company LTD
Topic: The latest Application Process Study of Container Waterborne Coatings

Mr. Min Liu
Technical Manager ,Guangdong Keytec New Material Technology Co.,Ltd
Topic: Water Base Colorant Application in Waterborne Wood Coating

Ms. Qin Pi
Coating Technology Experts
Anhui Jianghuai Automobile CO., Ltd
Topic: Discussion on the Green Manufacturing Painting Process for Commercial Vehicles

Mr. Peng Liu
Director, Institute of Special Paint Zhejiang Transfar Coating Co., Ltd
Topic: Auto Repair-free Paint and its Application

Mr. Ning Qiang
Associate Professor
Tongji University
Topic: VOCs Emission and Control in Painting Process

Speakers

Ms. Lan Shen
Senior Manager of Applied Technology
Industrial Coatings Evonik Specialty
Chemicals (Shanghai) Co., Ltd.
Topic: Comprehensive Solutions for Coatings
Appearance Improvement from Evonik

Mr. Feng Wen
Technical Director
Twin Tigers Coatings Co. Ltd.
Topic: Development and Application of
Original Paint for Waterborne Automobiles
Companies

Mr. Zhongmin Shen
Chairman
Baiyulan Furniture Co. LTD (BYL)
Topic: Experience in the Use of
Water-based Paint

Mr. Guangli Xiu
Professor
School of Resources and Environmental
Engineering East China University of
Science and Technology
Topic: Trends In Regulation of Emissions
From Coatings, Inks and Related Industries

Mr. Roger Shou
WBCP Board Representative
Waterborne China Platform
Topic: China's WB Coating Market
Research Report for ACE

Ms. Lily Yang
Technical Manager, China
ELEMENTIS SPECIALTIES
Topic: New Functional Poly Acrylic Resin
With Higher Solid and Lower Viscosity

Mr. Kim Wang
Team Leader – Specialty Components,
Huntsman Chemistry Research &
Technology Center (Shanghai) Co., Ltd
Topic: Waterborne Epoxy Solutions for
Industrial Anti-corrosive Coating Application

Mr. Xianhe Yu
Hangzhou Institute of Test and Calibration
for Quality and Technology Supervision
(China National Product Quality Supervision
Inspection Center of Builder's Finish
Hardware Material)
Topic: Environmental Protection and Quality
of Waterborne Paint

Mr. Xiangke Wang
Deputy Project Manager of UV Paints
Zhanchen Paints Co., Ltd.
Topic: Development Direction of Environmental
Protection Coating In Furniture Industry

Mr. Donhua Zhang
Wood Coatings Technical Service Manager
Evonik Specialty Chemicals (Shanghai) Co.,Ltd.
Topic: Evonik's Solution to the Bubble of
Waterborne Wood Paint

Mr. Yiming Zhang
Business Development Manager
Valspar
Topic: Application of Waterborne
Coatings In Industry

Mr. Jianxin Zhang
President
Shunde Furniture Design Institute
Topic: Waterborne Wood Coatings
Application in China at the New
Environmental Protection Situation

Speakers

Ms. Juxiang Zhang
Manager of Surface Protection
SAIC Volkswagen

Topic: The Requirement and Development
of Automotive Interior Coatings

Mr. Yongbin Zhao
Research & Development Director
Shandong OBO New Material Co., Ltd.

Topic: The Mass-production of Graphenes
and its Application in Chemical Anticorrosion
Coatings

Mr. Jeffrey Zhang
WBCP Marketing Committee Representative
Waterborne China Platform

Topic: China's WB Coating Market
Research Report for Passenger Vehicles
and Car Re-finishing

Mr. Jianlong Zhou
Technical Manager
Jotun coatings (zhangjiagang) co., LTD
Topic: Research Progress of Waterborne
Industrial Coatings

Mr. Xiachang Zhang
President
Changzhou Institute of Printed
Electronics Industry Co., Ltd

Topic: Printed Electronics and its Materials

Mr. Shaohuang Zhou
General Engineer
Shanghai Huayi Fine Chemical Co., Ltd.
Topic: Waterborne Additives Application in the
Waterborne Coatings

Testimonial

Hope that Ringier is getting better and we can deep discussed with more industry experts.

—Akzo Nobel

I wish you all along with the coating industry and can get the harvest.

—Chem Additive

As a coating manufacturer, we hope to have more information about coating technology and trends.
