

Call for Presentation

Due Date: 28 February 2018

2018 Asia Plastics Processing Technology & Innovative Material Summit

6-7 September 2018

Jakarta | Indonesia

JS Luwansa Hotel and Convention Center

Having attracted professionals from across the plastics and related industries in its first edition, the Asia Plastics Processing Technology & Innovative Material Summit, organized by Ringier Events, is a must-attend event to learn about the latest industry developments and network with your peers. Join us in the 2018 Asia Plastics Processing Technology & Innovative Material Summit.

Ringier Events invites presentations or papers on the following topics:

- Innovative processing techniques and design tools and their impact on product quality
- High-tech materials and their applications in select sectors
- Recent trends in industrial productions – Industry 4.0, automation and sustainable production
- Industry performance, market trends, government regulation and standards

How to apply:

Please send your abstract to amberchang@ringier.com.hk by 28 February 2018.

Your abstract should include a proposed title, 3-4 bullet points summarizing the presentation and the full contact details of the speaker.
