

# China Innovative Coatings Summit 2017

Sep.19-20th 2017 | Guangzhou, China

## Conference Introduction :

China Innovation Coatings Summit 2017 was held in Guangzhou Tianhe Hilton Hotel on September 2017, 19-20. There's no doubt that Southern China is the most important area of coatings industry in China, The Two-Day Conference brought together more than 200 people from the coatings development, production, furniture professionals in manufacturing, raw materials, production testing equipment and research institutions. 2 major theme tracks -- waterborne coatings and smart functional coatings, 18 experts' speeches covered the latest trends and market opportunities of the coating industry, innovative technologies and applications, policies for private enterprises' toget into the field of military affairs, etc. 17 industry solutions suppliers to demonstrate the latest technologies and quality solutions, for the participants to understand more cutting-edge information.

In order to reflect the summit information everywhere, the conference also set up a special segment in each coffee break time, there're 10 technical exchanges speeches for delegates to listen in the exhibition area, to learn the new technology of new products.

Our summit is not only a place to learn from each other, but also a platform for you to develop your business. As the organizer, Ringier will accumulate experience and keep innovative in every event, so as to promote the communication of the industry and the healthy development of the industry. We're looking forward to meeting you in next year.

## Coffee Break Time

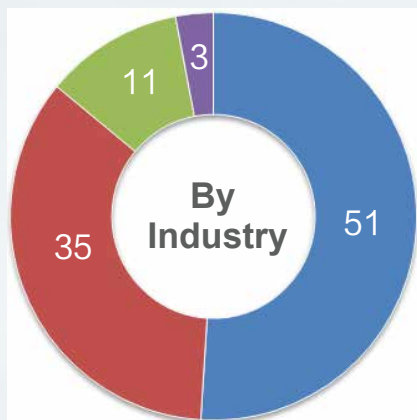

## Technical Exchanges Speeches

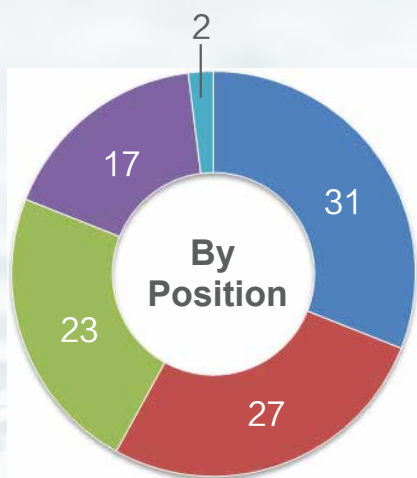

## Attendees

- Coating Manufacturer 51%
- Supplier 35%
- End User 11%
- Others 3%

- Scientist/Experts/Chemist/Engineer/PhD/Technician 31%
- R & D/Engineering/Purchasing Manager 27%
- Chairman / General Manager / Director / Regional Manager 23%
- Product / marketing / sales / Customer Manager 17%
- Others 2%

## Delegates Testimonials

I wish Ringier will get the coating industry's experts together, and lead the China coatings industry to catch up with the world coating brand.

– ZhongshanZhongrun Coating Factory

To promote the technical progress of coatings and printing ink industry.

– Shanghai Micro-SpectrumChemical Technology Co., Ltd.

It can truly make the coating sales personnel access to the latest information and application of the industry.

– Guangdong Huilong Coating Co., Ltd.

## Speakers

**Ms. Sandy Chen**

Waterborne China Platform  
Director

Topic: China's WB Coating Market  
Research Report

**Mr. Yuanbin Xie**

OuHua Industry & Connerec Co., Ltd.  
General Manager

Topic: Three Keys of High Efficiency Grinding

**Mr. Bin Wang**

Military Representative Bureau of Army  
Engineering Corps, Colonel, Certified Senior  
Project Manager; Military Equipment  
Procurement Management Expert Group  
Members

Topic: The Policies and Resource for  
Enterprises to be Army Suppliers

**Mr. Qiangliang Yu**

Chinese Academy of Sciences, Lanzhou  
Chemical Physics Institute  
Researcher

Topic: Innovative Functional Coating Technology

**Mr. Xi Zhao**

Sherwin (Shanghai) Coating Co. LTD  
Technical Manager

Topic: Waterborne Coatings to be Used in  
the Industrial Field

**Mr. Randall Liang**

DOW Chemical  
TSD

Topic: Microbial Control Solution for  
Water-based Coatings

**Mr. Jackoy Tang**

Yueyang Chem Waterborne Additive Co., Ltd  
Technical Service Manager

Topic: Application of Surface Control  
Technology

**Mr. Kefu Song**

DongGuanLongly Machinery Co., Ltd  
Chairman

Topic: Equipment Application and  
Development of Waterborne Coatings

**Mr. Zhonghua Chen (Speaker: Dr. Fei Yu)**

South China University of Technology  
Science and Technology Correspondent

Topic: Development and Application of  
Waterborne Metal Anti-corrosion Insulation  
Coatings

**Mr. Guowang Xue**

Guangzhou Yina New Material Technology Co., Ltd.  
General Manager

Topic: Application of Graphene in High-performance  
Functional Coatings

**Mr. Johnny Wang**

Double Bond Chemical (Shanghai) Co., Ltd.  
UV PM in Southern China

Topic: UV Top Coating and Digital Printing  
for Leather

**Ms. Fenny Chen**

Double Bond Chemical (Shanghai) Co., Ltd.  
UV PM in Mainland China

Topic: UV Top Coating and Digital Printing  
for Leather

## Speakers

### Mr. Yannian Wei

Sichuan Institute of Building Science  
Professor Senior Engineer  
Topic: Heat Insulating Effect and Influence Factors of Architectural Reflective Thermal Insulation Coatings

### Mr. Jesse Jiang

Guangzhou Sysmyk New Material Tech. Co., Ltd.  
General Manager  
Topic: The Application of Super Hydrophilic Nano-coating in Real Life

### Mr. Shilin Zhao

Professor, Nanjing Tech University;  
Chief Scientist, China Glass Insulation Coatings Industry Alliance  
Topic: Development Status of Industrialization of Nano Transparent Heat Insulation Coatings in China

### Mr. John Huang

SYNTHRON/Sinoprox Chemicals Gaoyao Limited  
General Manager  
Topic: Silicon & Fluorine Free Additives for Water-based Industrial Paint Recipe

### Mr. Song Wu

Hunan Sokan New Material Co., Ltd.  
Director  
Topic: Solutions of Intelligent Coating System

### Mr. Peng Wang

Zhanchen New Materials Group Co., Ltd  
Waterborne Team Leader of UV-Water Group  
Topic: Focusing on Environmental Protection-Assisting Industry Transformation — What Can We Do For 'SB' Transforming to 'WB'?

### Mr. Kechun Duan

Hebei Chenyang Industrial and Trade Group Co., Ltd.  
General Manager of Technical Center  
Topic: Status Quo of Industrial Paint Regulations and Application of Environmental Protection Water Paint on Construction Machinery

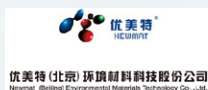

## Part of Attendee Companies
