

PCT 2017 - The 15th Personal Care Technology Summit & Expo 2017

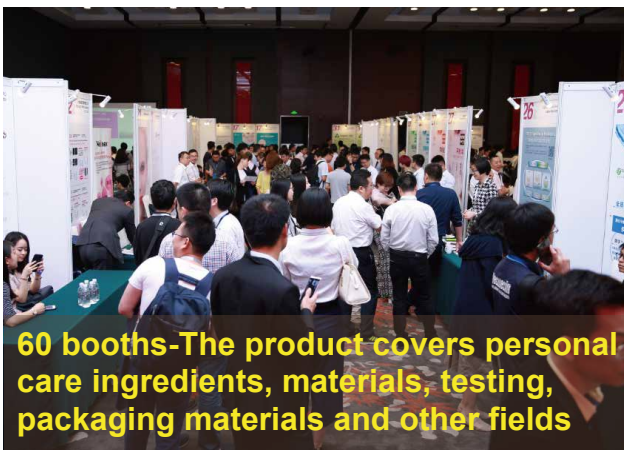

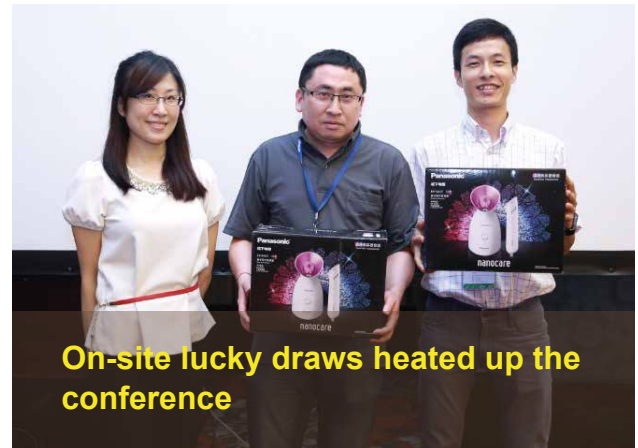

Concurrent Ceremony: 2017 Ringier Technology Innovation Awards
– Personal Care Industry June.22-23th, 2017 | The Longemont Shanghai

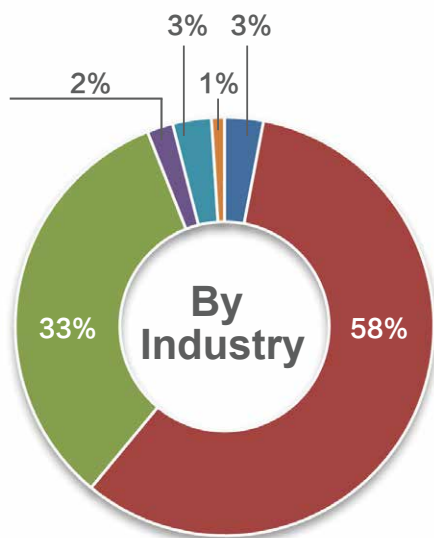

Conference Background:

Successfully been held for 15 years, Ringier Personal Care Technology Summit has become one of the best events in China and accomplished high reputation from all the cosmetic industry. "PCT 2017 - The 15th Personal Care Technology Summit & Expo 2017" has been held on June.22-23 at The Longemont Shanghai. This year, we attract over **600** delegates from the government parties, end-users, suppliers, R&D institutes and others. We have also invited influential R&D experts to present over **60** speeches as well. The summit has been divided into **Six tracks**, with **Regulations & Testing, Skin Care, Hair Care, Color Cosmetics, Packaging & Processing** and newly added **Digital Marketing(E-commerce), Functional Skin Care**. Having composed with over **60** booths on site, product ranges that cover original ingredients, materials, testing, packaging materials and the new five senses zone have brought a refreshing experience for all the participants.
