

Global Smart Factory Summit 2017

Concurrent Ceremony: ROI Industry 4.0 Awards China Ceremony
Oct.17 | The Longemont Shanghai

Background:

Global Smart Factory Summit 2017 has been successful held on Oct. 17th at the Longemont Shanghai. More than 150 industry experts from the end user enterprises of automotive, electronics, machinery, etc., servo system suppliers, software equipment vendors, government, associations and media gathered together to discuss the latest market trends in technology, processing and application in smart factory. The concurrent Ceremony: ROI Industry 4.0 Awards China Ceremony witnessed the birth of the first ROI China award winner.

The delegates included the end user enterprises of Volkswagen Group, Huizhong Automotive, Mrs Le Food, Dell Technologies, Siemens, Bosch, HP Technology etc., and other related solution suppliers, as well as item China, Guangzhou Xingshi Equipment, Guangzhou Xingshi Technology, Leuze Electronic, WD-40, Manulism Technology and so on.

Technical Communication during the tea break, the ROI Industry 4.0 Awards China Ceremony and the cocktail party provided a perfect platform for delegates to meet with other decision makers, establish new business contacts and engage in knowledge and experiences exchange.

The seminar was not only an opportunity to learn and socialize, but also a great opportunity to establish business cooperation. As the organizer, we are always trying to not only improve our content, but networking activities as well. We are proud that our event can help with promoting efficient information exchange and the development of

- Others 7%

Speakers

Mr. Timo Schneemann

Vice General Manager of ROI in China
Topic: Industry 4.0 & IoT: 8 Questions (and answers) to Make Your Factory Smarter

Mr. Allan Tsay

GM in China, Advantech
Topic: Industry 4.0 – Paving the Way to the Digital Factory and Smart Manufacturing

Mr. Qiping Zheng

Vice President, Truking
Topic: Truking's Intelligent Manufacturing Help to Improve the Level of Pharmaceutical Equipment

Dr.-Ing. Thomas Dorn

CEO Asia, TLD Asia Ltd
Topic: Robots to Replace Skilled Labour – is Industry 4.0 a Danger to SMEs?

Prof. Weimin Zhang

Professor, Tongji University
Topic: Practice of Intelligent Manufacturing: Sino German Turnkey Platform for Verification and Certification of Intelligent Manufacturing Production System

Mr. Ming Zhong

General Manager, WeShape (Beijing) Digital Technologies Co., Ltd.
Topic: From Automation to Intelligent Applications – an Era of Intelligent Manufacturing with Constant Updating and Growing Transparency of Information

Mr. Jianbao Wang

Vice President of Manufacturing, A.O. Smith
Topic: Adhere to the Centennial Values and Moral Norms, Build A.O. Smith Smart Factory

Mr. Yun Guo

CEO, Founder, Shanghai Manulism Technology Co., Ltd.
Topic: Digital Manufacturing – Realizing SMART Production & Transformation of Business Model

Mr. Ge Xie

I4.0 Senior Manager, Bosch Automotive Products (Changsha) Co., Ltd.
Topic: Bosch Changsha I4.0 Status and Introduction of I4.0 Pilot Production Line

Mr. Jiangning Chen

Head of Siemens Industry 4.0 Project, Siemens Ltd., China
Topic: From Baowu & Siemens I4.0 Practice to China Intelligent Manufacturing Think

Mr. Kangjian Zhu

Chairman, BORCH MACHINERY CO., LTD.
Topic: Expert of Intelligent Two Platen IMM, Build Intelligent Sharing New Platform
